Dear Columbian Lawyers Association,

On behalf of St. John's Riverside Hospital, we would like to express our heartfelt appreciation for your generous donation of 300 meals for our staff.

Your donation helps the staff and medical professionals at St. John's remain at the forefront of healthcare, and continue to provide the very best care to our community and those impacted by COVID-19. Each and every helping hand makes a considerable difference and because of your support we can be there for those who need us the most.

We are sincerely grateful for your support. Thank you once again for helping St. John's Riverside Hospital remain Community Strong!

Warmest regards,
